To the inhabitants of the School District in the
Town of Dorchester qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 10th day of March 1953, following the Town Meeting, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the District.
6. To hear the reports of Agents, Auditors, Committees, or officers heretofore chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see if the District will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the District as determined by the School Board in its annual report.

Given under our hands at said District this 31st day of January 1953.

FRANCES E. MERRILL, STANFORD E. SILER,
LAURA B. FOSTER,
School Board of Dorchester.

SUPERINTENDENT'S ANNUAL REPORT

To the Dorchester School Board:

My tenth annual report is submitted herewith and presents a discussion of those topics which should be brought to the attention of Dorchester people.

It is my belief that everyone interested in the Cheever School is pleased that the present teacher, Mrs. Rosamund S. Orr, decided to return to us for a third year. I trust that parents fully appreciate her great personal interest in every child and the efforts she makes for them far beyond the regular duties of a teacher.

A three-year transportation contract was awarded to Stanford E. Siler. Dorchester children are now transported in a new vehicle of ample capacity and capable of travel under practically all kinds of road conditions. We hope that this year our Dorchester School may operate on the calendar as set up without the usual "Mud Season" variations.

Largely through the efforts of Mrs. Orr a better school lunch program is available for Dorchester children this year. Parents very generously cooperated with Mrs. Orr in previous years, but the school lunch had to be carried on without any allotment of government food supplies. Because of Mrs. Orr's willingness to accept the clerical duties involved, we are now included in the state wide lunch program and receive our proportionate share of all foods allocated to Supervisory Union 48 by the N.H. Distributing Agency. The continued cooperation of parents is very much appreciated. Your continued active interest in the local school can result only in benefit to the children.

The children are very much pleased that the interior of their school has been newly painted. The room presents a light and cheerful appearance. When the building in which young children have to spend so much of their time is well cared for and attractive, it is bound to influence the attitude of those children towards any property for which they may later be responsible.

We hope that before too long the district may be able to make a start in buying really new desks and chairs for the school. All of our furniture at the present time serves its purpose fairly well, but some of the desks which were repaired two or three years ago cannot be expected to last very much longer.

In conclusion I express my thanks to the school board for their cooperation, the teacher, the pupils, and parents for their help in making the Cheever School a credit to the town.

Respectfully submitted,

Arthur S. Rollins

SCHOOL NURSE'S REPORT

To Dorchester School Board:

The school attendance for the year 1951-1952 was very good with no cases of childhood communicable diseases occurring.

25 children were weighed, measured and inspected and symptoms of these defects were found.

Dental	13
Tonsils	5
Vision	3

Corrections were as follows:

Vision	2
Dental	6

Arrangements for the 5 tonsils cases were made before these children moved to another town where they had their operations.

The hot lunches and the rest periods for the smaller children help greatly to keep the nutritional standard high.

One child had an eye examination and glasses by the Sight Conservation Program of the State Public Welfare.

I take this opportunity to thank the School Board, Superintendant Rollins, Parents, Teachers and Pupils for their interest and help.

Respectfully submitted,

ANNA M. LOVETT, R. N.
